Dear Sir:

On the basis of good faith and candor, Applicants would like to bring your attention to the Patent Term Adjustment ("PTA") calculations for the above referenced application which was allowed on July 16, 2004. Applicants believe that the Patent Office's determination of Total PTA of "79" days is incorrect and invites the USPTO to review the PTA calculation.

Should there be any questions, please contact the undersigned at the correspondence address listed below.

Applicants believe no fee is required at this time, however, if the Patent Office requires a fee associated with this filing, Applicants authorize the Commission to charge Deposit Account No. 08-1641.
